#### DESCRIPTION:

Kentucky Owl Bourbon was founded in 1879 by C.M. Dedman on the banks of the Kentucky River. The distillery produced “The Wise Man’s Bourbon” for decades until its long and storied history was interrupted by Prohibition. Fortunately, the Kentucky Owl brand was relaunched in 2014. In celebration of the long-standing ties that bind Irish and Kentucky whiskey making, Kentucky Owl, with Irish Whiskey Bonder, Louise McGuane have combined their skills to select special/rare whiskey barrels for their unique flavor profiles.
