Crowley Vineyards stands atop Spring Mountain, nearly 2,000 feet above St. Helena in Napa Valley. Initiated by Joan Crowley in 2000, the 12-acre vineyard embraces biodynamic principles, enhancing soil health through natural preparations like compost tea, silica, and herbal extracts. Positioned on the fog-kissed saddle of the Mayacamas Mountains, this unique mountain-top location combines decomposed volcanic soil, coastal breezes, and elevated terrain, fostering moderate growing conditions. Adhering to lunar cycles, Crowley Vineyards produces sound, healthy grapes with minimal intervention, allowing the terroir's inherent character to shine through.

TASTING NOTES:

Savor the enticing 2021 Crowley Vineyard Cabernet Sauvignon, revealing captivating aromas of black cherries, dark chocolate, hints of loam, and a touch of vanilla and roasted coffee beans. The palate indulges in rich complexity, featuring luscious currant and black plum fruit. A clean and structured mid-palate gracefully transitions to a smooth, seductive finish, leaving an enduring impression of sophistication and depth.

DESCRIPTION:

Discover the essence of democratized deliciousness with Royal Prince Wines, a Napa Valley-based boutique winery. With access to a rarefied tier of wine-growing partners, they consistently exceed expectations at every price point. Founded in 2016 by vintner David Green, and joined by winemaker Maayan Koschitzky, former Screaming Eagle winemaker, in 2019, Royal Prince crafts wines of precision, power, and elegance. Their mission is to offer pedigree without pretense, making delicious wines accessible to all.

TASTING NOTES:

“Made by Maayan Koschitzky (of Atelier Philippe Melka), the 2021 Cabernet Sauvignon Reserve is all varietal brought up in French oak. Its deeper ruby/plum hue is followed by a classic Cabernet Sauvignon nose of cassis and black cherries supported by plenty of sappy herbs, graphite, and obvious minerality. This medium-bodied, lively, elegant Cabernet has ripe, building tannins, a good spine of acidity, and outstanding length.”
