DESCRIPTION:

In 1974 Robert Keenan purchased 180 acres in the Spring Mountain District of Napa Valley. The property is at an elevation of 1700 feet, on the eastern slope of the Mayacamas mountain range. In 1998 Michael Keenan (Robert's son) took over the leadership of the estate. Michael's focus was to replant the vineyards with an eye on increasing the grape quality and becoming "Napa Green". Today Keenan produces four distinctive wines exclusively from grapes grown on their Spring Mountain Estate. Keenan Winery is one of the hidden gems of Napa Valley.

TASTING NOTES:

"Keenan's impressive 2019 Cabernet Sauvignon Reserve includes 5% Cabernet Franc, with all of the grapes coming from their estate vineyards on Spring Mountain. Sage and bay leaf herbals bring savory complexity to the cassis and black cherries in this full-bodied, velvety-textured effort. Concentrated and rich, there's plenty of material here to support 15 years or more of aging." — *Wine Advocate*

The Leonardini Family utilizes Napa Green-certified and sustainable practices to grow and make world-class Cabernet Sauvignon, Merlot, Sauvignon Blanc, Pinot Noir, and Chardonnay from their 200-acre vineyard. The welcoming winery is in the Rutherford Appellation of Napa Valley where guests can enjoy the family atmosphere, and all the wine is made, aged, and bottled on site.

TASTING NOTES:

“Deep, dark, and elegant, this full-bodied wine sips easily despite significant tannins since they are silky and fine-grained. Black cherries, blackberries, and blueberries blend with hints of charred oak and iron for a complex, edgy palate.” – *Wine Enthusiast*
