Jeremy Nickel is the son of the great Gil Nickel who was the founder and owner of Far Niente and Nickel & Nickel wineries. Jeremy Nickel Cellars has collaborated with leading wine growers and well-known Napa Valley winemakers to develop his own personal touch on his wines. Today, all of Jeremy's wines express bold flavors, yet come across the palate with elegance and focus on ripe fruits.

TASTING NOTES:

This Napa Valley Cabernet expresses a bright purple-to-violet color. Very aromatic with layers of ripe black fruits, including black cherry, cassis, and crushed wild berries. Absolutely gorgeous on the palate, offering ripe blackberries, and spice with hints of mocha and toasted oak. Impressive, silky tannins support the bold fruit structure with a long-lasting finish.

"This deep and potentially age-worthy blend from both valley and hillside sites is a baritone, showing deep bass notes of black currant, toasted oak, and espresso on a great structure of fine-grained tannins and a full body." — *Wine Enthusiast*

TASTING NOTES:

Bigger and bolder than the previous Appellation Series Cabernet Sauvignons, this vintage is a crowd-pleaser. It offers plenty of sweet, ripe black cherry, black currant, and framboise aromas. The palate is full-flavored with plenty of grip and structure yet shows off purity and the elegance of Cabernet Sauvignon. This wine over-delivers and can be enjoyed now or will age another 7 years with proper cellaring.
