DESCRIPTION:

Near the end of 2002, Elisabetta Gnudi Angelini, owner of nearby Tenuta Caparzo, purchased the Altesino winery. Today's winemaking team, led by Simone Giunti and Alessandro Ciacci, is firmly committed to maintaining Altesino's hard-earned reputation as a Montalcino institution and a global leader in innovative winemaking. This special, limited edition wine is made only in spectacular vintages and in small quantities from 100% Sangiovese Grosso grapes hand harvested from the Altesino, Macina, Pianezzone and Castelnuovo dell'Abate vineyards. This riserva is produced only in the best years in very limited quantities.

Brunello Riserva offers a solid, full body and excellent aging potential. Its ample and complex bouquet is reminiscent of violets, wild berries, cedar, leather, tobacco, and spices. On the palate, it is austere and seductive, with a perfect blend of fruit, acidity, and mouth-coating tannins. This is the perfect bottle for Brunello lovers.

DESCRIPTION:

With a passion for wine and a desire to produce small quantities of handcrafted wines from the most distinctive and promising vineyard in Napa Valley, Julie and Justin formed Anthem Winery in 2009. An attorney by background, Julie conducted a scorched-earth search for a winemaker and wound up hiring the first one to respond – Jeff Ames – as he set the bar extremely high. Julie and Justin have grown Anthem Winery since its inaugural 2009 vintage, always increasing its sustainability along the way.

Anthem pulls off another spectacular aria in this 100% Cabernet from the acclaimed Las Piedras Vineyard. Exceptionally plush with earthy spice and dark berries, the strong backbone is wrapped in smooth tannins and velvety black fruit. Bold, fresh, and finishing long, this just sings St. Helena terroir. The 2017 vintage is exceptionally high quality, with very limited quantities produced.

DESCRIPTION:

It isn't often that we meet with a winery to taste, and we're floored by every single wine they present. This happens maybe 3 times a year. Candidly, that's what happens every year when Michael Keenan visits. Michael is the GM and winemaker at this outstanding Spring Mountain property, which his dad Robert Keenan resurrected from the bones of a 19th-century ghost winery in 1977. Keenan has flown under the radar for a long time — that is until Bob Parker had something to say about it: "Keenan has been on a real high-quality roll for a number of years, and they are among my favorite wines in Napa Valley, combining power and complexity. They've certainly found their groove." – Robert M. Parker, Jr.

The 2018 Merlot from Keenan Winery may just set the bar for Napa Valley Merlot. Aromas of intense black cherry and cassis nestle with a touch of oak and nuances of cocoa and coffee. This is a nice, big Merlot that promises many years of excellent drinking. Sure to be another Bounty Hunter favorite, pair it with seared flank steak or wild mushrooms.
