Keenan Winery is a family-owned and operated winery located in Napa Valley. The winery was founded in 1977 by Robert Keenan, who purchased 180 acres of land on the top of Spring Mountain, where the winery and vineyards are currently located. The Keenan family takes great pride in their estate-grown fruit, and all the winemaking is done on-site, from the crushing of the grapes to the bottling of the finished wines. Today the winery is run by the 2nd and 3rd generation, Michael Keenan (Robert's son) and Reilly Keenan (Robert's grandson).

**TASTING NOTES:**

“The 2018 Red Blend Mernet Reserve, Keenan's Merlot/Cabernet Sauvignon is a bold, dense wine. Soaring aromatics and silky tannins render it approachable even young. Inky red/purplish fruit, mocha, and sweet spice build over time. There is a bit of new oak coming through, but a few years in the bottle should help that integrate. Only 500 cases were produced.”

Representing the third generation of her family to have answered the siren call of Northern Rhône Syrah, Christelle’s vision is one of pure and refined fruit, inspired by the cool northern Mistral winds and stony personality of her family’s vineyards in la Roche-de-Glun. Her skills come naturally having watched her grandfather and father care for their vines, plowing the fields by hand, and farming as naturally as possible. Today Christelle farms her land organically, but it is not certified; she prefers the flexibility of allowing the earth to tell her what it needs, and when.

**TASTING NOTES:**

Beautiful, concentrated color and youthful. Aromas of licorice, cocoa nibs, violets, and black fruits. Full-bodied, with fantastic structure on the palate, juicy blackberry flavors with hints of smoked meats, and savory spice. The finish is mouth-filling, with fine-grain tannins and bright acidity.
